MULTITERIA HAS A SERIES JUST FOR YOU

X-STREAMLINE™ Interaction Stations

Our basic modular series is designed for schools; combining colorful interactive, removable counter fronts making remodeling easy and affordable. This product line comes in six standard sizes. The X-Streamline™ Series utilizes the highest quality components while providing a superb value.

Essence™ Innovative & Inspired Food Stations

Our standard product line offers the most options in the industry and fits within any size budget. The durable stainless steel frame is reusable. The body panels, counter tops, drop-ins and food protectors are interchangeable or replaceable making renovations a snap.

Bravura™ CREATING A BOLD PRESENTATION

A fusion of modular design with custom touches. Designed with an upscale appearance in order to maximize participation and increase revenues. Bravura™ creates a retail environment or food court atmosphere. Whether it is a Marché-service or an open market atmosphere, Bravura™ optimizes functionality.

Meritage™ Seeing is Believing...

Elegant serving stations designed with unique wood finishes, solid surface or stone tops and European style food protectors. Meritage™ is designed for higher education facilities, hotels, casinos, caterers and business and industry offering a touch of class and sophistication.

BEYOND THE STANDARD

Multiteria cares about the health and wellness of our future generations. We support the importance of Sustainability in order to contribute to minimizing the impact on our environment. We are committed to continue developing innovative products by listening and addressing the needs of our customers and of the ever-changing industry. **To learn more, call MULTITERIA at 630-585-1369.**
