Model Detail

Model	Overall Size			Interior Compartment			Top W x H	Ice Bin ²			Casters		Ship Wt. Lbs.
	W	L	H ¹	W	D	H		W	L	D	Type	Dia.	
BC660	28"	52 1/4"	68 3/4"	43"	26"	25 1/2"	26 3/4" x 48"	20"	38"	8"	2 Ea. Swivel/Brake 2 Ea. Fixed	5"	373

¹ With overhead bin rack in highest position. Optional semi-pneumatic casters add 1" to O.A. height. ² Adds 33 lbs. to overall ship weight.

Specifications

Unit shall be of welded stainless steel construction. Cabinet shall have 18-gauge sides, front and floor/base. Top shall be 16-gauge. Overhead bin rack shall be height-adjustable, with a 4" height range, and mounted on 2" diameter stainless steel tubing uprights. Unit shall feature either single horizontal or dual vertical push handle(s), and either corner or full-perimeter bumper(s). Bin rack shall accommodate 15" x 20" tubs or wicker baskets.

Casters

Unit shall have four each extra-load plate type casters, two fixed and two swivel with brake, mounted to a galvanized steel dolly on unit base. Caster wheels shall be 5" diameter with non-marking, rounded cushion tread.

Ice Bin (optional)

Shall be of insulated stainless steel welded construction with center drain and plastic drain tube with shut-off valve. Inside dimensions shall be 20"W x 38"L x 8"D.

Graphic Panel (optional)

Graphic panel image is applied directly to the front unit panel utilizing Commercial Graphic Film manufactured by 3M® Controltac Graphic Film. Five (5) graphic designs to choose from, or optional custom graphics can be designed. End panels shall be stainless steel or standard laminate from Wilsonart or Formica.
